The rights of way in the parish are ideal for exploring the landscape of the area from the farmland in the North to the Chilterns in the South.

The Ridgeway National Path passes through the parish and also to the South is the Aston Rowant National Nature Reserve and the National Trust owned Aston Wood.

The Footpaths and Amenities Group of Aston Rowant Parish Council have produced a booklet of four circular walks in the area which can be obtained from the Parish Clerk (£2 or free to resident households). The booklet provides a detailed description of each walk including a local historical perspective and nature notes.

The Parish Council hope that you enjoy exploring the area and ask that you follow the Country Code and park vehicles with consideration.
