8) HIGHWAYS: -

- i. *Traffic Calming –No report as Cllr. Day absent.*
- ii. *The clerk has written to OCC Highways regarding signage for horses and riders on Kingston Hill Road, but has yet to receive a reply. The originator has been kept informed.*
- iii. *Speed awareness stickers for wheelie bins have now been received, although only 2 households have registered interest so far following the chairman’s report in the Parish Notes. To be advertised more extensively on ARPC web-site KBAR Facebook page.*

9) HILLWERKE TRUST: -

- i. *The Trust acknowledged the need to find a replacement chairman soon. Someone has taken over temporarily but cannot continue permanently.*
- ii. *No one was sure who was responsible for ensuring the grass is cut on the playing field as Cllr. Crossley was the liaison; however, MK Watts have already performed the first cut on 23rd March and as they should be done every two weeks another one is overdue - the Clerk to obtain a cutting-schedule.*

10) NEIGHBOURHOOD PLAN – *The Neighbourhood Plan section of the Parish Council Web-Site is now in place, and all future updates will be posted directly by the NP Committee to keep parishioners advised.*

- i. *The meeting held on Tuesday 11th April was attended by the chairman who reported 3 open evenings will be held in the parish on 20th-22nd June at which feedback will be sought on potential sites for housing and areas which should be preserved as green space. There will be a leaflet drop two weeks before to remind parishioners as well as on the web-site and KBAR Facebook page.*
- ii. *The committee will be engaging in dialogue with local land-owners to ensure they are engaged in the development of the plan.*
- iii. *Regarding the SODC Local Plan, consultation is open until mid-May and any comments should be made to SODC directly, or to Cllr. Day to take forward. Under the proposals, housing quotas will not be imposed as each village has different circumstances and those within the Chilterns Area of Outstanding Natural Beauty will have less while others could take more. Our parish is not within the AONB, but can be viewed from the hills which may affect the number we would need to build.*
- iv. *Cala Homes have applied to build in the field opposite the existing approved Bellway Homes site on the south-western edge of Chinnor which will have further significant traffic implications for Aston Rowant Parish if approved, but a condition of approval may be the introduction of a roundabout to slow traffic. A recently proposed development in Princes Risborough was refused due to cumulative effect on surrounding villages. There are also questions whether the infrastructure in Chinnor can cope with the resultant population increase.*

11) KINGSTON BLOUNT PLAYGROUND

- i. *The vacancy on the inspection rota was publicised in the Apr/May Parish Notes, and will be placed on KBAR Facebook page if no response is received.*
- ii. *There was a report of a small tree growing between the two sets of swings and the Clerk will arrange its removal.*
- iii. *We also need to follow up once more on the rotavation of the compacted bark, but there is a waiting time for the services of the Thames Valley Community Payback Scheme.*

12) ASTON ROWANT SCHOOL – *No report received this month.*

13) GRASS CUTTING & GENERAL PARISH MAINTENANCE – *Cllr. Hill has now read the file handed over from Cllr. Green but not yet discussed the contents. A comment was made regarding clearing the grips on Kingston Hill and Cllr.*

Hetherington will walk along Kingston Hill road to ascertain what work is needed. See point 9ii re: KB playing field.

14) ASTON ROWANT CRICKET CLUB (ARCC) – *No report received.*

15) FOOTPATHS AND AMENITIES GROUP (FAAG): -

- i. Fly-tipping has been reported along the Lower Icknield Way and Cllr. Hetherington and a local farmer have undertaken to remove the offending items. It is believed that the number-plate of the vehicle concerned has been recorded and will be reported to Thames Valley Police.*
- ii. Receipt of the Hillwerke Trust application to the Weston Foundation for funds to upgrade the Moors Footpath has been acknowledged and we hope to know shortly how much funding has been secured so we can assess if any private donations are still required.*

16) OTHER MATTERS & WRITTEN REPORTS – *The chairman advised that following the resignation of Cllr. Green, there are now two vacancies on the council and plans will be put in place to elect or co-opt replacements as soon as possible.*

17) CLERK'S REPORT – *No report.*

18) CORRESPONDENCE – *None.*

19) WEBSITE – *The corrections detailed in the March minutes have now been made.*

20) OTHER URGENT MATTERS at the discretion of the Chairman – *The Chairman is unable to attend the May meeting due to work commitments. It was agreed that Vice-Chairman Hetherington would chair the meeting, as well as over-seeing the annual elections to the posts of Chairman and Vice-Chairman. Both existing incumbents have indicated they would be happy to stand for re-election and continue, if re-elected.*

21) DATE OF NEXT MEETING – **Wednesday 10th May 2017 at Kingston Blount Village Hall at 7.30pm.**
